TOOLS FOR SCHOOLS

Our school is continuing with our student support program called “Tools for Schools”. The program is designed (in a confidential manner) to assist and support students and school families who need help with educational supplies, clothing and resources. A donation box has been placed in our school office for donations for our students. Donations could include, paper, pens, pencils, scissors, rulers, textas, books, erasers, pencil cases, shoes, uniforms, clothing etc. The donations will be given to students in need by their classroom teacher in a discrete and supportive way. If you can help by making a donation, it would be wonderful and greatly appreciated by our students. Every donation makes a huge difference.

Without your support we couldn’t have done this. We raised \$900.00.

Reading Information for Parents/Carers

I am planning to conduct information sessions about how children learn to read and the strategies they need to use to become “good” readers. I will also discuss ways in which you can assist your child at home. These sessions will be held on a Wednesday afternoon from 2.30 until 3.30.

Please complete the form below so I will know how many copies of print-outs that I need. I do need at least 5 parents to enable these sessions to go ahead.
