

## “Western Water” Incursion.

Thank you to Alice from the ‘Western Water Education Program’ for coming to our school to teach us about the water cycle in the Junior Classes. In the Senior classes, student’s learnt about the importance of drinking t. water and it is free! It is a much better/healthier alternative to store bought drink products.

## CONGRATULATIONS FOUNDATION STUDENTS ON YOUR FIRST 100 DAYS OF SCHOOL!!!!

The Foundation children came to school dressed up in costumes of what they wish to be when they leave school. We had a florist, ballerinas, police, bakers, tradies and chefs just to name a few!
