Adekate F-2 Camp Creswick 2017

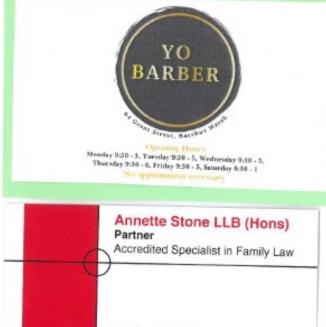

I loved cooking the damper because it was fun mixing the water and flour and making a big gooey mess. We stuck our damper on a stick and cooked it on the fire. It was yummy. (Peggy, Grade 1)

> The hut building was amazing. We all worked together in teams. After we finished, each hut was tested to see if it was waterproof. I was saturated by a bucket of water tipped on to me. It was great fun. (Lachlan, Grade 2)
