## **BUS TRAVEL WITHOUT SEAT BELTS**

On excursions/camps our school requests buses to have seat belts. We ask our bus providers to advise if they cannot supply a bus with seatbelts that they advise our school, therefore we would contact parents who don't want children on the bus. *It is not law that buses have seat belts but Public Transport Victoria ar ein the process of putting them in.* Can you tick one of the following:

I do not wish for my child to be on a bus without seat belts						
My child can travel on the bus without a sea belt.
