

## YARD DUTY SUPERVISION POLICY

### PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

### SCOPE

This policy applies to all teaching and non-teaching staff at Myrniong Primary School, including education support staff, casual relief teachers and visiting teachers.

### POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. **Supervision should be undertaken in a way that identifies and mitigates risks to child safety.**

### Before and after school

Myrniong Primary School's grounds are supervised by school staff from 8:45AM until 3:30PM. Outside of these hours, school staff will not be available to supervise students.

Before and after school, staff will supervise the front and rear entrances, including the playground areas.

Parents and carers will be advised through regular reminders, that they should not allow their children to attend Myrniong Primary School outside of these hours. Families will be encouraged to contact the office on (03) 53687232 or refer to <http://myrniongps.vic.edu.au> for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes (3.30pm) at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- accompany the student to the office
- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

### **Yard duty**

All staff at Myrniong Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The Principal is responsible for preparing and communicating the yard duty roster on a regular basis.

At Myrniong Primary School, school staff will be designated a specific yard duty area to supervise.

### **Supervision of students in emergency operating environments**

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training Excursion Policy.

### **Digital devices and virtual classroom**

Myrniong Primary School follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

### **Students requiring additional supervision support**
